## **Statement of Obligations**

### **INTRODUCTION**

This Statement is issued under section 19E(1)(a) of the *Catchment & Land Protection Act 1994* (CaLP Act) and relates to existing functions and responsibilities of Catchment Management Authorities (CMAs) under the CaLP Act as well as associated Government policy. It has been developed to:

- Clarify the manner in which CMA activities should be undertaken and the level to which CMA activities should be performed, by specifying obligations which relate to the performance of broad legislative functions and policy responsibilities;
- Specify which obligations shall be funded out of annual Corporate Allocations and/or Statutory Land Allocations and which obligations shall be funded as outlined in contracts or agreements between the Department of Sustainability & Environment and the Authority; and
- Reflect an integrated and sustainable approach to catchment management.

This Statement does not derogate from current legislation.

It may be amended, varied or revoked as provided for under section 19E of the CaLP Act .

This Statement complements, and should be read in conjunction with, the Statements of Obligations for CMAs issued under the *Water Act 1989* by the Minister for Water on 19 October 2006 or with subsequent versions issued. The Statements of Obligations issued under the Water Act foreshadowed that integrated Statements of Obligations for CMAs will be issued and will include responsibilities under both the Water Act and CaLP Act. However, this Statement will not be integrated with, and has been issued separately to, the Statements of Obligations for CMAs issued under the Water Act in order to simplify the issuing of statements of obligations under both Acts.

## Statement of Obligations

### SCHEDULE A:

#### DEFINITIONS

**Only terms not defined in the CaLP Act are defined in this Schedule.**

The following definitions apply in this Statement:

**“Asset”** means any real property owned by the Authority.

**“Biodiversity”** means the natural diversity of all life: the sum of all our native species of flora and fauna, the genetic variation within them, their habitats, and the ecosystems of which they are an integral part.

**“CaLP Act”** means the *Catchment & Land Protection Act 1994*.

**“Corporate Allocation”** means funds provided by the Department to the Authority for corporate functions.

**“Corporate Plan”** means a plan drafted in accordance with s.19C of the CaLP Act.

**“Department”** means the Department of Sustainability and Environment.

**“Environment Protection Authority”** is an Authority established by the Minister under s.5 of the *Environment Protection Act 1970*.

**“Financial Management Compliance Framework”** means the framework implemented by the Department of Treasury and Finance which became operational from 1 July 2003. The Framework responds to Government’s initiative of promoting responsible financial management and the reporting on the financial management obligations of Victorian Public Service entities.

**“Governance Guidelines”** includes the ‘*Governance Guidelines for DSE Portfolio Statutory Authority Board Members*’ by the Department of Sustainability and Environment, and the ‘*Good practice guide on governance for Victorian public sector entities 2006*’ by the State Services Authority ([www.ssa.vic.gov.au](http://www.ssa.vic.gov.au)), and subsequent guidelines.

**“Local Planning Policy Framework”** means a framework developed by Local Government in accordance with the Victorian Planning Provisions which comprises the Municipal Strategic Statement and local planning policies through which it identifies long term directions about land use and development in the municipality and provides the rationale for zone and overlay requirements and particular provisions in the local Planning Scheme.

**“Minister”** means the Minister for Water, Environment & Climate Change administering the CaLP Act.

**“Municipal Strategic Statement”** means a statement developed in accordance with s.12A of the *Planning and Environment Act 1987*.

**“Murray Darling Basin Agreement”** means the intergovernmental agreement called the *Murray Darling Basin Agreement*, signed by the Victorian Government in 1992. This Agreement includes salt related aims that are addressed in the *Murray Darling Basin Salinity Management Plan*.

**“Native Vegetation Plan”** means a plan developed by an Authority to implement *Victoria’s Native Vegetation Management: A Framework for Action, 2002* and subsequent related frameworks.

**“Natural Asset”** means a biophysical or biological attribute of a natural ecosystem.

**“Pest”** means exotic plants or animals (excluding any that cannot be declared under the CaLP Act) that threatens or has the potential to threaten the existence or well being of valued environmental, agricultural, social or personal resources or assets.

**“Planning Scheme”** means a scheme developed in accordance with section 6 of the *Planning and Environment Act 1987*.

**“Regional Catchment Investment Plan”** means the annual investment plan drafted by each Authority and associated bodies engaged in natural resource management, that documents an Authority’s project and project deliverables with the aim of implementing Regional Catchment Strategy targets.

## Catchment and Land Protection Act 1994 Statement of Obligations

**“Regional Salinity Management Plans”** means a plan developed by an Authority to implement *Victoria’s Salinity Management Framework: Restoring our Catchments*, 2000 and subsequent related frameworks.

**“Relevant Legislation”** includes the *Audit Act 1994*, *Catchment and Land Protection Act 1994*, *Environment Protection Act 1970*, *Financial Management Act 1994*, *Flora and Fauna Guarantee Act 1988*, *Planning and Environment Act 1987*, *Public Administration Act 2004*, and the *Water Act 1989*.

**“Salt Disposal Entitlements”** has the same definition as a ‘salinity credit’ in Schedule C of the *Murray Darling Basin Agreement*, 1992.

**“Secretary”** means the person occupying or acting in the position of Secretary of the Department of Sustainability and Environment.

**“Service Level Agreement”** means the annual agreement between the Department and the Authority relating to Regional Catchment Investment Plan projects.

**“Statutory Land Allocation”** means funds provided by the Department to the Authority for statutory land management functions.

**“Statement”** means this Statement of Obligations.

**“Subordinate Instrument”** has the same meaning as prescribed under s.38 *Interpretation of Legislation Act 1984* which is ‘an instrument made under an Act:

- (a) that is a statutory rule; or
- (b) that is not a statutory rule but—
  - (i) contains regulations, rules, by-laws, proclamations, Orders in Council, orders or schemes; or
  - (ii) is of a legislative character.’
