

The vision of the Corangamite CMA is for a healthy Corangamite catchment that supports thriving communities

Corangamite Catchment Management Authority

invites you to the

2nd Coastal Research and Development Forum

Corangamite CMA will host its second Coastal Research and Development Forum for natural resource managers, land managers and community members.

The event will focus on presenting research relevant to coastal and marine environments.

The forum this year includes presenters from Museum Victoria, Deakin University, Melbourne University, Victoria University, and Australis Biological.

This is a free event.

WHEN: 10:00am - 4.00pm Wednesday 26 July 2017
(all catering provided, please specify any dietary requirements)

WHERE: Wauran Ponds Estate,
Nicol Drive South, Wauran Ponds (ph: 52273000). See map below.
Complimentary parking

RSVP: To Polly Matthews by Monday 17 July 2017:
0407 341 350 or email polly.matthews@ccma.vic.gov.au

This event is supported by the Corangamite CMA, through funding from the Australian Government's National Landcare Programme.
